Why Depend on Deepak

Our Promise:

To Our Customers:

A responsive company that leverages deep process expertise to become a partner of choice by supplying chemicals, that are manufactured using safe and sustainable means.

To Our Investors:

A responsible company that invests in consistent, high-quality growth where it has a clearly articulated 'right to win'.

To Our Employees:

A company that creates agile and adaptive leaders, who cultivate teams with a bias for action, in an environment that is based on principles rather than rules.

About Deepak Phenolics

Fulfilling India's growing demand for **Phenol and Acetone.**

Deepak Phenolics is a leading producer of phenol, acetone and IPA, at the forefront of Atmanirbhar Bharat.

We are known for our dependability with extremely high customer satisfaction levels.

As a reliable partner we offer just-in-time delivery.

And we are proud to call ourselves a cost-efficient and environmentally friendly manufacturing company.

**An Indian Phenol-Acetone
plant like no other.**

Manufacturing

A portrait of Mr. Deepak Mehta, the Chairman and Managing Director of Deepak Phenolics. He is a middle-aged man with dark hair, wearing a dark grey suit, a white shirt, and a red patterned tie. He is smiling and has his hands clasped in front of him. The background behind him is a dark, circular shape with a pattern of small, light-colored dots.

Chairman's Message

Deepak Group is a trusted name in the Indian chemical industry, and it has done so by having the right combination of dedicated employees, effective manufacturing processes and a sustained effort of building long term relationships with external stakeholders.

Mr Deepak Mehta

Chairman & Managing Director,
Deepak Phenolics
